

# PAGE ENGAGE *Setup Guide*

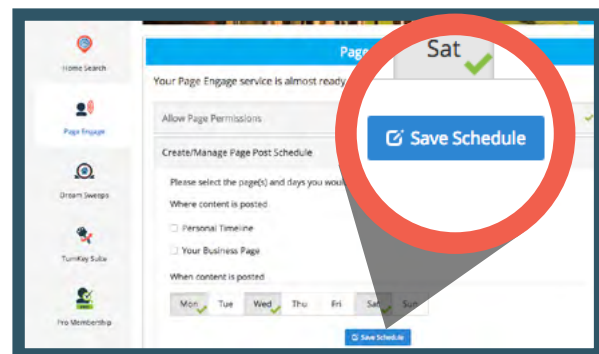

**1.** While on the Page Engage tab click “Manage” in the top right corner.

**2.** Check the page where you would like Page Engage to post.

**3.** Next, click on the days you would like Page Engage to post to your selected pages.

**4.** Lastly, click “Save Schedule” and you’re set!

***Congratulations!***

You will now have content auto-posted to your page!
